OFF The STREETS

Kenny and I would like to thank Doug Dobey for making our new logo. The guy is talented. Thanks alot.

Britt Ryle had a really fun non-alcoholic party Sept. 19. Gruen Image and Honor Rok played, both putting on a great show. Death Piggy is back and played before Eraserhead at the Biograph to a capacity crowd. Today the Biograph, Tomorrow the Lee Art? Only time will tell. White Cross has released their first full length Album What's Goin' on? and are currently on tour. More on the Album next issue.

The Pervaricators have also released their first E.P. titled No Kidding E.P.. Both White Cross and this were well mixed. The sound quality is great. Check them out!

The Good Guys are on tour this month playing dates up north. They will play in Schafer court Sept. 30 (Friday) with the Pressure Boys from D.C..

Remember!!!! SUPPORT YOUR LOCAL Bands! If they can't count on you, then who?
